What our guests are saying

Our guests keep coming back year after year and thoroughly enjoy their stay.

Below are just a few of the many thankyou letters with positive feedback we have received over the years.

Dear Carol and Grahame,

Thank you so much for your generous hospitality.
We will always have the wonderful memory of dancing on your balcony, drinking delicious pinot, while watching the sun go down over the beach.

Everything was just perfect!

kind regards

Anne & Peter Quinn

Dear Carol and Grahame,

Thank you for your help in making our wedding so special. We had such a lovely time at Wategos and look forward to our next visit. We hope this message finds you all well and Sean's foot has repaired.

best wishes,

Greg , Natalie & Jude

Dear Grahame & Carol,

Thank you for making our holiday so enjoyable.
Your friendliness and generosity have made these days so comfortable for us. It was hard to leave- we were finally slotting into 'Byron time'. Enjoy this bottle of wine for us one evening whilst gazing out at your fabulous view...

we will return thanks.
